

Habitat
for Humanity®
South Hampton Roads

SKILLED TRADES NEEDED

Habitat for Humanity of South Hampton Roads is working on government-funded residential construction projects in Chesapeake, Norfolk, Portsmouth, Suffolk, and Virginia Beach. The following work may be available:

**Sitework – Foundations – Roofing – Plumbing
Electrical – HVAC – Carpentry – Siding – Windows**

Habitat SHR will utilize qualified businesses and persons who permanently reside within Chesapeake, Norfolk, Portsmouth, Suffolk, or Virginia Beach, and welcomes Section 3 qualified business concerns and minority and female owned businesses/contractors. Residents with household incomes below 80 percent of the Area Median Income (\$58,650/household of 4) (Section 3 qualified residents) are encouraged to apply. Businesses may be included on procurement lists by submitting a written request within fifteen (15) days of this notice. Experience with HUD funded projects preferred. Experience with sustainable building (Energy Star and EarthCraft) preferred. Requests should state the name, contact phone, address, product or service, at least two references, DPOR license number, evidence of worker's comp and liability insurance, qualifications for minority or female owned (if applicable), and be sent to:
