- Operates and performs minor repair on hand and power tools used in the trades.
- Operates grounds equipment: commercial riding mowers, backhoe, tractors, dump truck, elephant

- vacuum, dump truck, trimmers, edgers, aerators, seeders, spreaders.
- Performs custodial duties: cleans vacant apartments: removes furnishings, cleans floors; maintains trash compactor and exchanges dumpsters.
 - Inspects assigned work areas regularly to insure proper standards are maintained.
 - Ensures that work orders are completed for all assigned work.
 - Performs monthly readings of electric and gas meters.
 - Completes work performance documents.
 - Maintains tools and equipment in operable condition.
 - Performs systems and preventative maintenance inspections.

KNOWLEDGE, SKILLS AND ABILITIES:

- Considerable knowledge of common methods, materials, tools and equipment used in all of the building trades.
- Considerable knowledge of basic and safe equipment operations and preventative maintenance.
- Considerable knowledge of common methods, materials and tools used in carpentry, painting, electrical and mechanical trades.
- Considerable knowledge of common methods, materials and tools used in grounds maintenance and lawn care.
- Considerable knowledge of supply procedures.
- Considerable knowledge of applicable code requirements and standards.
- Ability to operate and care for hand and powered tools used in building trades.
- Ability to operate various types of ground maintenance equipment.
- Ability to operate various vehicles such as pickup trucks, dump trucks, etc.
- Ability to understand and follow oral and written instructions.
- Ability to communicate effectively with the public.
- Ability to prepare written documents such as work orders and maintenance logs.
- Ability to work from plans and specifications.
- Ability to schedule and coordinate work of others.
- Ability to establish and maintain effective working relationships with co-workers, clients and others.

EDUCATION AND EXPERIENCE: (The following requirements may be used to evaluate applicants for employment. When applicable, equivalent substitution will be allowed for differences in experience and education.)

Any combination of education and experience equivalent to graduation from high school and a minimum of 2 years' experience in one of the building trades.

WORKING CONDITIONS:

Physical Requirements

Lift 75 lbs. intermittently. Exertion of up to 50 lbs. of force occasionally, and/or up to 20 lbs. of force frequently, and/or up to 10 pounds of forces constantly to move objects. Requires climbing, balancing, stooping, kneeling, crouching, reaching, standing, walking, pushing, pulling, fingering, grasping, feeling, and repetitive motions of wrists, hand and/or fingers.

Sensory Requirements
